IF A MAN OWNS
A HUNDRED SHEEP,
AND **ONE** OF THEM
WANDERS AWAY,
WILL HE NOT LEAVE
THE NINETY-NINE
ON THE HILLS
AND GO TO LOOK
FOR THE **ONE**
THAT WANDERED OFF?

AND IF HE FINDS IT,
TRULY I TELL YOU,
HE IS HAPPIER ABOUT
THAT **ONE** SHEEP
THAN ABOUT THE
NINETY-NINE
THAT DID NOT
WANDER OFF.

IN THE SAME WAY
YOUR FATHER IN
HEAVEN IS NOT
WILLING THAT ANY OF
THESE LITTLE **ONES**
SHOULD PERISH.

ZOE'S LETTER

After my second set of adoptive parents surrendered their rights over me and sent me to a group home, I never wanted another family. By that time, family had become a bad thing. Family was people that beat you, starved you, neglected you. My definition of family had become negative.

What I had witnessed my whole life was that "family" betrayed each other, hurt each other, and abandoned one another. I always figured I'd never fit into a family...

**...UNTIL I CAME TO
LEGACY HOUSING.**

Zoe Stacy | Legacy Housing Gala 2018

I was skeptical at first, and I was happy with allowing them to be people I liked and wanted to spend time with, but I never anticipated trusting them enough to let them become my family. Nearly four years later and I am amazed by what a massive part of my life they've become. Thank you, Legacy, for guiding me towards God and giving me an environment where I can grow into the young woman, mother, and wife God intended for me to be. You all have encouraged me to find my identity in Christ. Legacy was a gift from God.

So many bad things that could've happened to me, they didn't. The troubles I could foresee in my future, those WERE my reality and not just a hypothetical scenario. And some crazy things DID happen while I was at Legacy, but the stability, love, and guidance there kept me on the right path and protected me from anything worse. Legacy is my safe space. It's a little bubble where I know that no matter what else happens in my life, I am safe. My children are safe. And we are loved. I love you guys and am grateful because I know that through the ups and downs, you will never abandon me, and I now have a true forever family. And thank you so much for changing my definition of family to what God intended it to be, loving, reliable, steadfast, accepting, unconditional, and whole.

Love,
Zoe Stacy

THE LEGACY HOUSING NETWORK

The First Legacy House | Ormond Beach, FL

A MOVEMENT TO PROVIDE A HOME FOR EVERY ONE OF THE CHILDREN AGING OUT OF FOSTER CARE IN THE UNITED STATES HAS BEGUN.

The Legacy Housing Network (LHN) is a growing community of Legacy Homes launching across the United States, each committed to providing a home and family for every one of the children aging out of foster care. In other words, we will see to the end of homelessness amongst aged-out foster youth.

WE DREAM BIG

The LHN consists of both homes planted directly by Legacy Housing as well as homes launched by our non-profit partner organizations. Similar to franchising a business, each home within the LHN adopts and implements the Legacy Housing Program & Policies yet is not required to pay licensing fees. Instead, Legacy Housing trains each home to successfully fundraise in their community while also seeking supplemental grant funding from national sources in order to help ensure each home remains viable. This ensures foster youth across the United States have the opportunity to live at a Legacy Home and receive the same quality of care no matter where they age-out.

Furthermore, LHN homes will share a corporate staff who will assist the local house parents with business operations including accounting, legal, marketing, and more. This will help to ensure each house parent is able to focus on what matters most, the foster youth in their home.

At Legacy, we dream big because in every city across the U.S. a child is dreaming of a forever family.

We dream of being that family.

LHN SPOTLIGHT: OUR DAUGHTER'S HOUSE

In early 2019, Kris and Jenny Williams contacted Legacy Housing with a passionate desire to open a home for aged-out foster girls. Shortly after our first meeting, the Williams found the perfect home, purchased it, and began planning their first dinner fundraiser. The Tidwell's traveled to Houston to share the Legacy mission with an audience of 300 people and that night \$125,000 was raised to open the home in 2020.

YOUR LEGACY

Legacy Housing is restoring the legacies of foster children across the United States but what is your, the giver's, legacy? Yours is this, when you heard the cries of children whose families were torn from their arms, you answered; you didn't pass by, you gave. Through your generosity, orphans are given families and broken lives are restored.

You changed the life of **one**, and as a result you changed the life of everyone.

Though our operating costs are well below State-run group homes, providing Legacy Homes for foster children in need requires significant financial support. Legacy Housing exists as a result of your compassion, generosity, and devotion to making our world a better place. To us here at Legacy, you're a hero and that is something to be proud of. From the bottom of our hearts, thank you. We are deeply honored to partner with you in this most-worthy mission.
